### Subpart B—Electronic Federal Tax Payments

#### § 203.9 Scope of the subpart.

This subpart prescribes the rules by which financial institutions shall process Federal tax payment transactions

(a) *General.* Taxpayers shall complete an enrollment process with the TFA prior to making their first electronic Federal tax payment.

(b) *Enrollment forms.* The TFA shall provide financial institutions and taxpayers with enrollment forms upon request. The taxpayer is responsible for completing the enrollment form, obtaining the verifications required on the form, and returning the enrollment form to the TFA.

(c) *Verification.* If the taxpayer elects the ACH debit entry method of paying taxes, an authorized representative of the financial institution shall verify the accuracy of the financial institution routing number, taxpayer account number, and taxpayer account type at the request of the taxpayer.

#### § 203.11 Electronic payment methods.

(a) *General.* Electronic payment methods for Federal tax payments available under this subpart include ACH debit entries, ACH credit entries, and same-day payments. Any financial institution that is capable of originating and/or receiving transactions for these payment methods, by itself or through a correspondent financial institution, may do so on behalf of a taxpayer.

(b) *Conditions to making an electronic payment.* Nothing contained in this part shall affect the authority of financial institutions to enter into contracts with their customers regarding the terms and conditions for processing payments, provided that such terms and conditions are not inconsistent with this subpart and applicable law governing the particular transaction type.

(c) *Payment of interest for time value of funds held.* Treasury will not pay interest on any payments erroneously paid
